Welcome to 1210/1 Australia Avenue!

This home is not your average apartment. With abundant natural light and the apartment's light tone, you instantly feel the positive energy as you walk through the door.

The living and bedroom spaces are oriented towards the ANZ stadium, the heart of Sydney Olympic Park. A gallery-like wall space, natural ventilation, zoned air-cond, abundant light, and resort-style window treatments ensure this an apartment where urban life remains a pleasure.

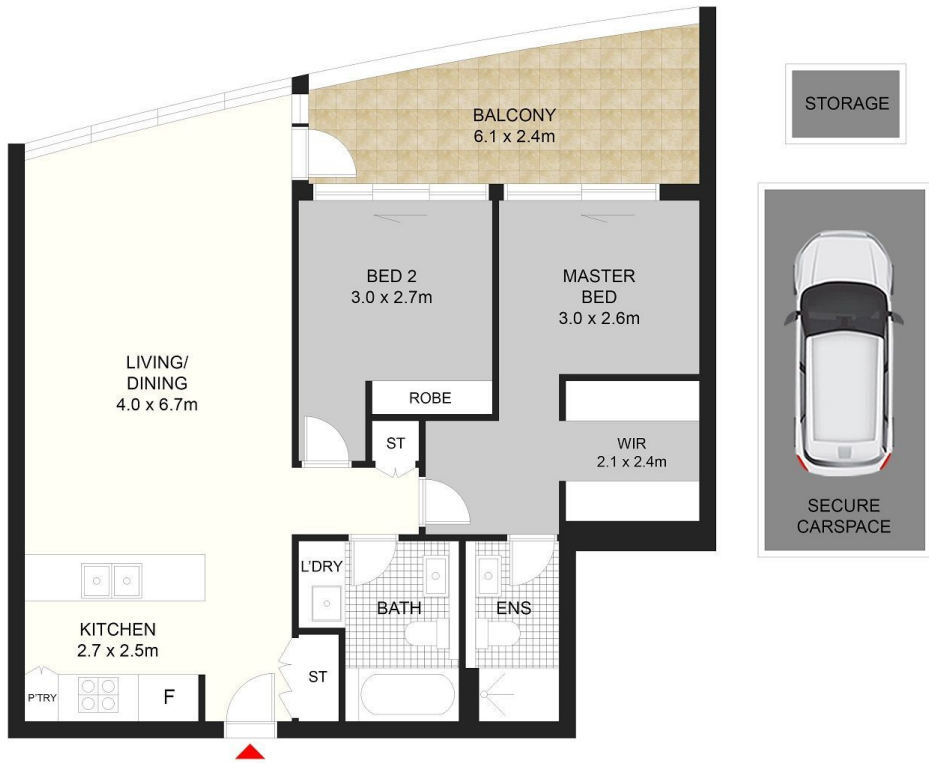

The master bedroom features a woman's best friend - a perfectly designed walk-in robe.
